## FEATURES:

- Intrinsically posted to neutral in the rearfoot and forefoot
- Fits most shoe styles for both men and women
- Can be personalized for your practice (name, logo, phone number...etc.)
- High quality appearance
- Easily adjusted in office
- Can be used as a method of interim treatment prior to custom orthotics
- Great for managed care contracts with low reimbursement rates
- Allows you to offer patients immediate treatment/relief

## WARRANTIES:

- All sport and carbon fiber orthotics carry a 30 day guarantee (from date dispensed) against delaminating top covers and/or posting.
- All semi-rigid orthotics carry a 6 month warranty against breakage.
- Accommodative orthotics carry no warranties.
- Prefabricated or customized orthotics carry no warranties for fit or function.
